SURGERY USED IN PNEU- MONIA.

Special to the Post-Dispatch.
Toledo, Ohio, Nov. 27.—Dr.
H. L. Grosh, City Physician of
Toledo, has performed the first
successful operation for pneu-
monia in the United States, if
not in the world. The patient
is Frank Turley, son of a busi-
ness man of this city. Dr.
Grosh has pronounced his pa-
tient out of danger, after three
surgical operations, each time
abscesses being removed from
various portions of the lungs.

It was necessary to cut
through the ribs to reach the
disease and the patient gained
steadily. Dr. Grosh noted an
increase in flesh to-day. Spec-
ialists in various States had
pronounced the case hopeless.

E. E. RAY TERRIBLY INJURED.

All Hannibal sympathizes
with Ed E. Ray in the great
misfortune that overtook him
yesterday.

Mr. Ray was a member of a
fishing party that visited Mur-
phy's bay yesterday on the
steamer Harry Reid. Return-
ing last evening light-hearted
and happy over a satisfactory
day's sport, at a point near
Cave Hollow, he started to
walk around the engine for a
drink of water, when he slipped
and fell. His right foot and
leg passed into the pit of the pit-
man shaft of the engine and
they were ground to a pulp in
an instant. The left leg suffered
to the extent of a long flesh
wound.

As soon as the accident oc-
curred Capt. Lippincott, engi-
neer, promptly stopped the en-
gine and Mr Ray was extricat-
ed.

A full head of steam was then
put on and the injured man

brought to Hannibal as quickly
as possible. As soon as the
boat arrived, Drs. E. G. and W.
H. Hays and Dr. Bounds were
summoned.

A careful examination re-
vealed the sad fact that the right
limb could not be saved and it
was amputated above the knee.
The left leg was given proper
attention, after which the pa-
tient was conveyed to his home.

Mr. Ray passed through the
ordeal of the operation heroically,
and the physicians have
hopes of his speedy recovery.

No man in Hannibal has more
friends than genial Ed Ray, and
the news of the accident was
received with genuine regret
every where.—Hannibal Jour-
nal.

J. L. Sprecher, Revenue Col-
lector, was in Monroe City yes-
